Software developer with years of experience in **React** and a background in marketing, graphic design, and social media management.

EXPERIENCE

Asian Institute of Technology and Education   Tiaong, Quezon
Intern – Full Stack Developer   March 2024 – June 2024
- Worked closely with the AITE IT department to design and build our school's official website from scratch. I contributed mainly to the frontend, using JS, React, REST API, and GraphQL.
- Ensured optimal performance and user satisfaction for the project.
- Contributed as a graphic designer for marketing initiatives.

ACEBA Science & Tech. Institute Inc.   Tayabas City, Quezon
CSS Student Trainee   November 2019
- Underwent comprehensive training in Computer System Servicing, gaining expertise in software troubleshooting, network cable installation, and maintenance alongside mentors.

Involve Asia – Tech Marketing Company   Kuala Lumpur, Malaysia
Affiliate Marketer   Present | Part-time
- Worked as a Social Media Manager and Affiliate Marketer at Involve Asia, where I effectively leveraged my platform, Apticore, to promote electronic brands.

EDUCATION

Asian Institute of Technology and Education   Private School in Tiaong, Quezon
BSc in Information Technology | GPA: 1.28   2020 – 2024

ACHIEVEMENTS

Asian Institute of Technology and Education
- Ranked 3rd with Academic Distinction in the AITE Batch 2024. Outstanding performance in BSc Information Technology. Awarded for the Best Capstone project. Recognized for exceptional Website UI Design and Best Practicum achievements in the BSIT program.
